

ELEPHANT IS BACK

2021 Sandown Stakes winner, Elephant has been seen at Cranbourne Turf Club! He has recently re-joined the stable after a spell. "He enjoyed his time out and has commenced some pre-training." "He's excited to be back, he's looking really good and it's good to have him in the stable. We are again aiming to set him for the Victorian Spring Carnival, and he is very forward"

To some, that will be music to their ears, Elephant has a few fans, especially amongst the punters. There will be a few people cheering him over the line as David & Emma-Lee look for that Group 1 win in Australia!!
